

REDLANDS PRIMARY SCHOOL

Dear Parents,

What a wonderful week it has been! It was an absolute pleasure to welcome our new Nursery and Reception children and families to Redlands. I have had a delightful time in getting to know and meet them all. It is very impressive with how they have all settled in already. When I popped in to see the Nursery children they all looked very grown up having a snack whilst singing nursery rhymes! As promised, I visited the Reception children and thoroughly enjoyed reading 'The Tiger who came to Tea' to them. I am looking forward to supporting them through the happy years they have at Redlands and watching them grow on their learning journey.

Mrs Aslam (Headteacher)

Reading

I have enjoyed listening to the children telling me about their favourite books and authors when I have joined them at lunch or playtime or in lessons. Engaging in such book talk encourages children to enjoy reading and discussing and drawing on what they have read. At Redlands we believe that reading can open up a whole new world for our children and for this reason we are looking for more volunteers who can listen to children read. Thank you to the parents who already join us to listen to their children during parents morning but we would love to have more!

Well done Year 2!

A big well done to our lovely children in year 2 who have quickly become accustomed to the new transitions of climbing the stairs! Thank you to the parents who are encouraging the children to come in independently. Please continue with the encouragement and say goodbye to them in the playground!

IMPORTANT DATES

21st September – Foxhill Class Assembly

PLEASE NOTE THE CHANGE OF DATE BELOW

29th October – Teacher Training Day - SCHOOL & NURSERY CLOSED
School & Nursery are now open as usual on Friday 19th October. This date change was due to unforeseen circumstances; please accept our apologies for any inconvenience this change has caused.

REMINDERS

Unfortunately due to restriction in space we cannot accommodate bikes and scooters in the school playground, for this reason you will need to take them home.

Just a gentle reminder your children's safety is very important to us. Please remember that children should not be running in the playground before and after school because it is very busy and they could easily get hurt.

Also can all adults and children keep the area outside Upper Redlands clear and wait on the playground. Thank you.

ATTENDANCE AWARD

Winning class for this week is Blenheim! I was impressed with your 100% attendance!
