

Welcome back to school! I hope you all had a lovely summer holidays.

I am very excited to teach and get to know your children this year.

I wanted to share with you what we will be learning in Year 1 over the first term. If you have any questions or queries, please feel free to ask me.

Miss Dale.

Maths

This term we are going to be looking at:

- Numbers to 10
- Number bonds
- Addition within 10
- Subtraction within 10

English

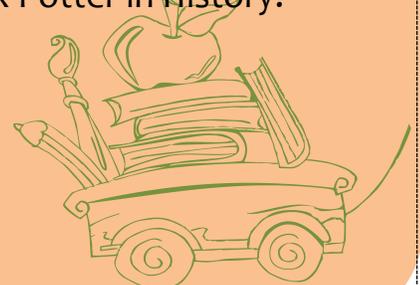

Children will have a Phonics and English lesson every day.

They will also have Spelling, Grammar and Guided Reading sessions throughout the week.

Our book this term is 'The Gruffalo' and we will be learning to retell this.

Topic

Our topic this term is **The Enchanted Woodland**. Within this we will be going on a nature walk around school, looking at plants in Science, weaving with natural materials in Art and looking at Beatrix Potter in History.

Homework

See the children's Learning Together books.

These will be given out this week.

The children can earn prizes if they read every night!

Reminders

If you haven't already, please join Class Dojo as I post lots of updates about what the children have been doing at school. It is also a good way to contact me if you have any questions or need to pass on a message.

Please can we try and let children come into school by themselves in the mornings (parents saying goodbye at the door). This will get them to be more independent, thank you.

PE will be on Monday afternoons and Wednesday mornings. Please ensure that your child's PE kit is in school every day.

Mrs Karlston will be teaching every Tuesday afternoon.

Just a reminder that in Year 1 we finish the school day at 3:30pm.

Important Dates

Parents evening dates to be confirmed.

5th Sep- Start the new school year

12th Oct – Grandparents afternoon

22nd Oct- Photo day

25th Oct- Y1 Celebration of Learning

26th Oct- End of Term 1

**Thank you for your support,
Miss Dale, Mrs Karlston and Mrs Millington.**
