13<sup>th</sup> September 2018

Dear Parents/Carers

Now that we are back into our school routines, I would like to share our priorities for the year.

We want to continue to build the resilience of children so that they are better able to cope with life's challenges and can make the right choices independently.

We will continue to work as a teaching School - last year we worked with other schools to support 100s of children.

Safeguarding - many children are still coming to school discussing inappropriate games and films they have watched at home. We need you to support your child so that this doesn't happen.

Our children will always be the priority so we have a team of Assistant Headteachers – Mrs Vaines and Ms Mahon, to speak to you about any issues in my absence.

Please do contact the office if you would like to see me. We value your opinions so there will be an opportunity for parents in the future. (details to follow)

Despite budget cuts we have managed to maintain and improve standards in behaviour and attainment so that the Ofsted data report shows that our achievements are even better than in 2015, when we were judged 'Outstanding'.

This year we look forward to building on these successes together.

Yours sincerely

Mrs Azhar  
Headteacher
