

17.9.18

Dear Parents,

This week we are looking at 'Twinkle Twinkle Little Star'. We are also going to be listening to the story 'Whatever Next' by Jill Murphy. Many of you will know the story where a little bear goes to the moon. In maths we will be looking at number recognition and the ordering of numbers.

We would like to encourage the children to bring an old or new teddy bear into school. We will be drawing their teddies and having a teddy bear snack time at the end of the week with them. Please bring these in from tomorrow. **They will be returned at the end of the week** (no extra special bears or other soft toys please).

Many thanks for your support. Any worries/ concerns please let one of us know.

Mrs Sharp
