## **Disability Equality Policy**

*An Appendix to the Equality and Diversity Policy*

**Jan 2016**

***The Disability Discrimination Act 2005 builds on existing responsibilities for schools, including the duties to make reasonable adjustments, and to plan strategically to increase access to schools over time.***

This Policy in conjunction with the Equality and Diversity Scheme sets out the steps our governors will take that will result in improved outcomes for disabled pupils, parents/carers and staff in all aspects of school life in the wider community and in the non-educational services they might provide.

This policy and the Equality and Diversity Scheme build on our accessibility plan and develops our work further to include:

- ✓ A definition of both disability and inclusion that is wider than special educational needs and applies to all vulnerable groups such as that set out in **DDA 95 as amended by SENDA** from 2002 Code of Practice part 4:

*“It is important to recognise that the definition of children with learning difficulties includes children with a disability where any special educational provision needs to be made. It means that children with a disability have special educational needs if they have any difficulty in accessing education and if they need any special educational provision to be made for them, that is, anything that is additional to or different from what is normally available in schools in the area”.*

- ✓ working with the social model of disability that is:

*‘while many individuals have physical or sensory impairments, learning difficulties or are living with mental health problems, it is in many cases the way society responds to these (attitudinal and environmental barriers) which can increase the level of disadvantage and not the disability itself.’*

- ✓ taking a proactive approach in making reasonable adjustments
- ✓ work with pupils, staff and parents/carers
- ✓ involving the views of disabled pupils, their carers and staff where appropriate in identifying priority actions within the school improvement plan
- ✓ Working positively with a range of professionals and services, including locality schools
- ✓ Voluntary support groups

## **The Ethos of our School**

Pye Bank CE Primary School promotes excellence within learning and supports high expectations for all.

Our aims are:

- To ensure that school is a happy and safe place for your children every day.
- To aim for academic excellence for all children, ensuring that we have the highest expectation of what they can achieve: recognising the potential of every child in our care.
- To strive at all times to meet the needs of every child of all abilities and backgrounds.
- To nurture and value every member of the school community, as a unique individual.
- To work in true partnership with all our parents, our children and our community.
- To inspire and motivate our children, offering an exciting curriculum which is relevant, challenging and reflects and values the diversity of our amazing faith based community.
- To provide opportunities which broaden experiences within and beyond the classroom, drawing on and extending existing talents and skills.

We aim to achieve this through being an inclusive, aspirational learning environment where children, families, staff, governors and the wider community learn together in an atmosphere of co-operation, respect and tolerance.

As a community we promote, through the development of Building Learning Power and our curriculum, self-discipline, understanding, empathy, co-operation, perseverance and independence. We encourage a culture of high standards, achievements and expectations. We aim to develop the full potential of every individual, regardless of ethnicity, religion, gender or disability.

We recognise that every child brings valuable experiences and strengths to our school. We build on these by offering a curriculum that is stimulating, accessible, challenging and differentiated to meet the needs of all children.

We provide an open, stimulating environment in which every child feels safe, valued and happy. We encourage parents and the wider community to take an active interest in the education of all of our children and to feel an ownership of their school.

Our ethos forms the core of our planning and teaching. Our teaching and curriculum is our ethos in action.

At Pye Bank CE Primary School we are committed to equal opportunities in learning and employment for all members of our school community and those receiving services from the school. We promote inclusion and equality and strive to challenge discrimination in all forms. Our commitment to challenge discrimination and promote equality for all is demonstrated through our:

- Ethos
- Aims
- Equality and Diversity Scheme and Policy
- SEND/Inclusion policy
- EAL policy
- Gender Equality Scheme
- Accessibility Plans
- Curriculum

Our Accessibility Plan sets out our work to remove barriers – physical, communication and curriculum by:

- ✓ Increasing the extent to which disabled pupils can participate in the school curriculum
- ✓ Improving the environment of the school to increase the extent to which disabled pupils, parents/carers and staff can take advantage of education and associated services
- ✓ Improving the delivery of written information to disabled pupils, parents/carers and staff.

We will further develop our Accessibility Plan as part of our scheme to promote disability equality in the other areas for disabled pupils, staff, parents or carers by questioning, challenging, removing barriers, making reasonable adjustments and linking the outcomes to our policies and our school improvement plan.

#### **Our Access Plan: Access to the Curriculum**

- We ensure that all children have access to a broad, balanced curriculum differentiated to meet their individual needs. We make reasonable adjustments to the curriculum as required.
- Our Behaviour Policy is structured and comprehensive and articulates agreed standards and expectations across our school setting. Again reasonable adjustments are made in our approach in relation to the needs of disabled pupils.
- All Teaching and Learning Policies include an agreed Inclusion Statement which articulates our school's approach to ensuring that all children are given equal opportunity in our school.
- We promote a broad world view in which our pupils are encouraged and expected to gain an understanding and empathy to the needs of all people including those with a disability.
- We monitor and track the progress of all pupils carefully. Disabled pupils are identified and their progress is tracked particularly rigorously.

#### **Our Access Plan: Physical Access**

All areas of our school are accessible to all. We ensure that all developments maximise access.

#### **Access to Written Information and Services**

- We strive to ensure that all children, parents/carers and staff can participate in all school activities and opportunities.
- We have an agreed system for the administration of medication.
- Our emergency evacuation procedures take full account of the needs of disabled people.
- We ensure that our admissions, induction and transition procedures offer timely support to both children and parents/carers. We always strive to ensure that any additional needs are recognised and communicated.

- We produce alternatives to written communication if required.
- We produce large print letters etc as required.

**Participation and Engagement**

- All pupils and parents/carers have an equal opportunity to have a voice and to participate in deciding the direction of our school through our School Council, Governing Body and the Friends of Woodside School. We also survey parents/carers and children and act upon views expressed if appropriate.
- All governors are aware and mindful of their responsibility to promote disability equality.
- Bullying and any other form of harassment is challenged throughout our school in all areas of activity.

**Employment**

- All candidates for any vacancy are treated equally.
- We monitor the number of staff we employ who are recognised as disabled under the Disability Discrimination Act 2005.
- We make reasonable adjustments for any disabled staff. Staff are given time for treatment without penalty.

**Information we collect**

This scheme monitors:

- Admissions of disabled pupils
- Exclusion of disabled pupils
- Disabled pupil attainment
- Recruitment, retention and career development of disabled staff
- Effectiveness of reasonable adjustments
- We use the results of our monitoring and assessment activities to make reasonable adjustments, review the effectiveness of this plan and identify future priorities.

Our priority actions are included in our School Improvement Plan and our School prospectus.
