

History

In History we will be studying Ancient Egypt. We will be learning about how the Ancient Egyptians lived and what their rituals were.

We will be having practical sessions such as mummifying

Art

In Art we will be using line, shape, perspective and colour to show what 'The Valley of Kings' looked like. Throughout we will be developing our sketching and shading skills to create depth and form.

Class 4

Autumn 1

Enhancing Learning

In Literacy we will be focusing on a story called 'The Firework Makers Daughter' this is a story from another culture. On a Friday afternoon the children will be researching and learning about China and producing artwork, trying Chinese food and be given the opportunity to get a deeper understanding of the country.

Literacy will also be linked to our Ancient Egyptian topic and Science topic of different types of skeletons.

Science

In Science we will be learning about animals including humans, we will be looking at their diet, skeletons and how they adapt to survive. We will also be learning about healthy living and the benefits of exercise.

Computing

This half term we will be focusing upon E-safety and how to stay safe online, on our phones and when gaming.

We will also be developing our iPad skills through the 'Reading Plus' fluency

PE

We will be starting the term with indoor dodgeball, this will lead onto a competition with a rival class.

We will also be doing hockey as our outdoor
