

Message from Head teacher

Welcome back.

I would like to extend a warm welcome to all our new and returning families here at Lyneham Primary School. I hope that you have all had a fantastic summer break and judging by the smiles I see on the children's faces as I walk around the school, I can see that they have enjoyed themselves.

Building work and slight inconveniences aside, this has been a great start to the term. I was so proud last Monday when the children all came into assembly. They all exhibited our values of respect and cooperation, showing just how committed they are to the school and to their education. A very proud moment indeed. As I've walked around the school and talked to the children, I get a sense of just how high their expectations are for themselves too, so it's just as well that we will be launching a new afterschool club system this year to provide them with even more opportunities for development and personal growth. Look out for the club sign up letter that will be coming home soon.

Uniform.

It's great to see all the children looking so smart at the start of term and the new logo on some jumpers and shirts look great. I need to remind everyone about our expectation for PE uniform. On PE days, we want children to come to school in PE kit, but only as described in the uniform policy. Essentially, that means a plain red or white t-shirt with no logos beside the school one, a plain red sweatshirt or school sweatshirt and a pair of black or grey shorts or tracksuit bottoms with trainers. Bright colours and clothes covered with branding is not appropriate for school and children will be asked to change if they are not in the correct kit for school. We have several mannequins in the foyer that show acceptable uniform and we have a uniform sale once a month on a Friday morning where all items are sold for £1. Thank you for supporting us with this.
