

Wells Hall Primary School Sports Report

What is the Sport Premium?

The government method of providing funding for primary school sport. The funding is being jointly provided by the Departments for Education, Health, and Culture, Media and Sport, with the money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children. Each school will receive £16,000 plus an extra £10 per pupil each year. Here at Wells Hall that will mean we received £19,995 for this year. Schools must spend the sports funding on improving their provision of PE and sport, but have the freedom to choose how they do this.
