

# Meet the Teachers

**Class 9- Miss Turner and Mrs Lynn.**

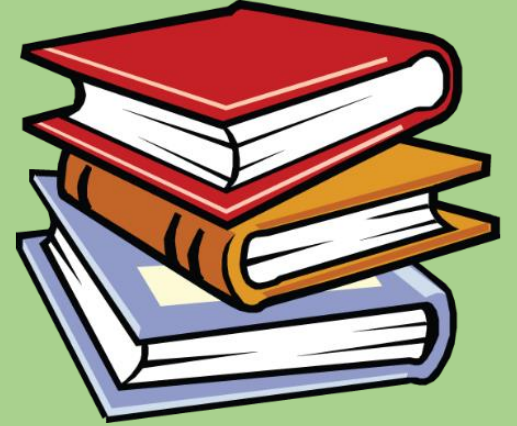

**Class 10- Mrs Sangha, Mrs Pordage and Mrs Rook.**

**Class 11- Mrs Williams, Mrs Gilbert and Mrs England.**

**Class 12- Mrs Andrew, Mrs Skinner and Mrs Reeves.**

## Reading

- **In Year 2 we follow the whole class reading approach.**
- **We focus on four key skills in our lessons-  
Predict → Locate → Fluency → Inference**
- **Individual reading will be noted in contact books.**

**Further information about how our reading sessions run will be shared in our Reading/Writing/Maths workshop in November.**

# Homework

- **Weekly spellings will be sent home on Fridays. These will be linked to the spelling rules / phonics taught that week. There will be no spelling test on these words but it will give children the opportunity to practise the spelling skills covered in class that week.**
- **Continue to practise the common exception words for Year 1 and 2. Please ask your child's class teacher if you would like a copy of these words.**
- **A topic grid will be sent home once a term with a selection of activities linked to the current topic. Please see the topic grids for more information.**

# Contact

- **We have an open door policy so please pop in to see us if you have any queries.**
- **We check contact books daily so any queries can also be written in them.**
- **Every Friday at 3pm we would love to share our work with you.**
