Dear Parents / Carers,

Cycling to School

Following the bikeability course, your child's cycling has been deemed to be good enough to allow them to cycle safely on the road. We would like to offer your child the option to cycle to and from school.

Our school cycling rules are:

- wear a cycle helmet
- dismount on school premises
- secure bikes carefully in the designated place in school

Also your child may like to bring a cycle chain to secure their bike because although school will do everything it can to keep the bikes safe, we can accept no responsibility for equipment lost or stolen.

I hope your child enjoys many hours of cycling in the future. Please complete the slip below if you wish to allow your child to cycle to school whilst they remain a pupil here.

Kind regards,

Miss Varns
Year 6 Teacher

Year 6 Cycling to School

I/we give permission for my child _____ to cycle (or scoot) to Cavendish School. I agree that he/she must abide by the school safety rules and any failure to do so will result in them no longer being able to bring their bike to school.
