Say #HelloYellow on World Mental Health Day

Dear Parents/carers,

Reinwood Junior School will again be taking part in #HelloYellow on World Mental Health Day (10th October) to continue to raise the profile of mental health in our school and show young people they are not alone with their mental health.

Pupils at school will wear something yellow and share mental health messages to spread the word that, whatever you're going through, you can talk to someone if you're struggling to cope.

Last year we contributed to the 10,000 positive and inspirational mental health messages that were collected and we will be helping the charity to top that target even further. Children will also raise vital funds for Young Minds, the children and young people's mental health charity, which have organised the event.

We ask that children bring a minimum donation of £1 for wearing something yellow and all funds will be donated to the Young Minds charity.

To find out more about #HelloYellow go to www.youngminds.org.uk

Thank you for your continued support.

Kind regards

Miss Fisher and Mr Dyson
