Subject: Parking Permits

Dear Parents and Carers,

Parking Permits

We would like to make you aware of our Park and Stride scheme, which allows you to park in the town centre car park for free at the beginning and end of the school day. Teignbridge District Council have now issued official parking permits for this school year. Please collect one from the office and take advantage of this facility. If you are still using a permit from the last school year, this will need to be replaced with a new one by **Monday 22nd October 2018**.

As our numbers increase so does the risk to children in Lawn Drive from people parking irresponsibly when dropping off and collecting children. Please support this initiative.

A reminder that parents are not allowed access to the school drive during the school day unless displaying a Disabled Access Blue Badge. Please accept this decision and refrain from being verbally abusive to our site manager who monitors the gate at the start and end of the school day.

Kind regards

Business Management Team
