## *Whole School Policy Statement On Bullying*

### **1. Rationale**

- 1.1. The school welcomes and fully supports the 'Every Child Matters' agenda.
- 1.2. It is a prime aim of the school to establish a happy, friendly and supportive atmosphere in the school so that children develop care and respect for each other, and every child is given a sense of individual value, whatever his/her talents;
- 1.3. As part of this aim we wish to tackle any incidents of bullying, in whatever form they arise to the ultimate benefit, education and happiness of bully and victim alike.

### **2. Definition of Bullying**

- 2.1. Bullying is defined by the DFEE and other government agencies as:

*“Deliberately hurtful behaviour, repeated over a period of time, where it is difficult for those bullied to defend themselves. It can take many forms, but the three main types are physical (e.g., hitting, kicking, theft), verbal (e.g., racist or sexist remarks, name calling) and indirect (e.g., spreading rumours).”*

### **3. Cyber-bullying**

- 3.1. The school has an E-Safety Policy that should be read in conjunction with this policy.
- 3.2. The school is also conscious of the growing problem and effects of cyber-bullying.
- 3.3. Cyber-bullying has an added worrying dimension in that children can be victimised in their own home.
- 3.4. There are a number of different methods of cyber-bullying, but the main ones are:
  - 3.4.1. Sending emails and other messages to individuals or groups that are threatening, upsetting or offensive and may include racism, sexism, or homophobic content

- 3.4.2. Sending emails and other messages to friends of the victim to try to make them become part of the bullying
  - 3.4.3. Profiles can be set up on social networking sites to make fun of a child or young person, and if others contribute to the profiles they may become part of the bullying
  - 3.4.4. Mobile phones can be used for sending humiliating and abusive phone calls, texts, photos or video messages, e.g. some children or young people have shared inappropriate images of themselves and others, as well as videos of physical attacks on others
  - 3.4.5. Children and young people involved in interactive gaming can chat online with other players, and cyber-bullies can abuse other players, use threats, lock victims out of games, spread false rumours
  - 3.4.6. Some young people are able to send viruses or hacking programs that can destroy the victim's computer or delete personal information from their hard drive
  - 3.4.7. Many victims of cyber-bullying have seen their personal information such as photos, emails or blogs posted where others could see them without their permission.
- 3.5. The damage inflicted by bullying can frequently be underestimated. It can cause considerable distress to children, to the extent that it affects their health and development or, at the extreme, causes them significant harm.

## **4. Aims of This Policy**

- 4.1. This policy aims to:
- 4.1.1. reduce and eradicate wherever possible instances in which children are subjected to bullying in any form
  - 4.1.2. provide a clearly defined framework for dealing with the victims and the perpetrators of incidents of bullying
  - 4.1.3. ensure that all children, staff and parents are aware of this policy and fulfil their obligations to it

## **5. Philosophy**

- 5.1. The values and beliefs underlying this policy are:
- 5.1.1. all bullying is unacceptable, regardless of how it is delivered or what excuses are given to justify it
  - 5.1.2. our recognition of the detrimental effect on the well-being children who may be subjected to bullying and our determination to work actively to minimise the risks

- 5.1.3. that we believe victims of bullying should be treated in a supportive manner
- 5.1.4. we need to ensure we also meet the needs of the pupil showing bullying behaviours
- 5.1.5. the harmful effect on educational performance which can be caused by bullying is recognised.

## **6. Curriculum Input and Awareness Raising**

- 6.1. Pupils are made aware of the types of bullying that exist through the curriculum subjects of RE, PHSCE, SEAL, drama and circle time. In addition to these elements the school assembly programme will illustrate the types of bullying and some possible outcomes.
- 6.2. The school also takes part in the Annual National Anti-Bullying Week, involving the entire school community. In November 2009 the focus was on cyber-bullying.

## **7. The Role of Pupils**

- 7.1. The pupils of Pye Bank C of E Primary School are expected to:
  - 7.1.1. report all incidents of bullying, either directly to an adult working in school, or through the Playground Buddy System. There is also a worry box they can pop a note into. This includes any aspect of cyber bullying.
  - 7.1.2. act in a respectful and supportive manner to their peers, reporting any suspected incidents which the victim may be afraid to report him/herself
  - 7.1.3. adhere to and promote the aims and objectives of the Anti-Bullying Policy.
  - 7.1.4. refrain at all times from any behaviour that would constitute bullying, or could be construed as bullying behaviour.
- 7.2. These points are explicitly communicated and discussed with children through Circle Time and through assemblies.

## **8. The Role of Parents**

- 8.1. Parents play a vital role in the education and welfare of their children. They can assist in combating bullying in a number of ways including:

- 8.1.1. stressing to their children the importance of appropriate sociable behaviour
  - 8.1.2. reporting any misgivings they have concerning either victims or perpetrators of bullying
  - 8.1.3. actively endorsing and supporting the Anti-Bullying policy
  - 8.1.4. in the event that sanctions are applied due to the bullying behaviour of their child, supporting the sanctions and making clear their disapproval of this behaviour

- 8.2. This role is communicated to parents through initial meetings for all new parents and through Newsletters.

## **10. Evaluation Procedures**

- 10.1. In order to assess the effectiveness of this policy the following standards are used:

  - 10.1.2. individual incident returns, including nil returns within specific periods for different age groups, reported termly to Governors
  - 10.1.3. any marked improvement in academic performance which may be confidentially regarded to have arisen due to the eradication of bullying behaviour.
