Friday 21st September, 2018

Dear parents/carers,

Special Educational Needs and Disabilities (SEND) Coffee Afternoon

On Thursday 11th October from 1.45pm, we will be having a coffee afternoon in the school hall. The main purpose of the coffee afternoon is to provide an opportunity for parents and carers to meet the SEND team at Banks Road, should they wish to do so.

A number of professionals will be at the coffee afternoon including:

- Dr Lee Randall, Educational Psychologist
- Elaine Dignam, Liverpool Autism Outreach Service
- Alix Heron, Merseyside Autism and Speech Therapy
- Lisa Seeckts, Valley High Learning Support outreach teacher
- Audrey Hannah, Quiet Place Therapist
- Maria Parkinson, Quiet Place Body Worker

You will be able to meet the adults and ask questions related to your child should your child be on the school SEND register or not.

May I also take this opportunity to point out our school website:

<http://www.banksroadprimarieschoolliverpool.co.uk/statutory/send>. Here you will be able to find downloadable copies of our SEND policy, SEND information report and find further information about the SEND team at Banks Road.

Additionally, I would like to draw parent/carers attention to the information board on the playground which will be updated regularly with SEND information and news.

Warmest regards,

Mr. J. Savage
Assistant Headteacher/SENCO

* Please return to **the school office** if you wish to attend

I will be attending the SEND Coffee Afternoon on Thursday 11th October at 1.45pm.
