1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the [pupil premium conditions of grant guidance \(2017-18\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

In addition, this policy refers to the DfE's information on [what maintained schools must publish online](#).

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential (see below).

4. Use of the grant – challenges and barriers to learning

We recognise that a range of factors, including socio-economic factors, may hinder pupil progress and attainment, and can ultimately affect the life chances of the children in our care. We recognise that not all pupils who are eligible for pupil premium are underachieving, while some pupils may be underachieving and not eligible for pupil premium funding.

It is our policy to plan, adapt and prepare for any individual, or group, in which any area of under-performance is evident. We do not use this policy to displace current strategies to intervene and support pupils. Some pupils may be achieving well, but will be entitled to funding to enhance their future educational aspirations and achievements.

5. Aims of our Strategy

- To provide all our pupils with fair and equal opportunities to learn and achieve in all areas of the curriculum.
- To work in partnership with families and pupils, to plan, monitor and evaluate support and intervention in order to secure individual progress and achievement.
- To work effectively with our external partners and organisations to provide additional support for the social, emotional, health and wellbeing of all pupils with potential barriers to learning and achievement.
- To ensure that our governors fulfil their statutory responsibilities to make effective use of pupil premium funds in order to impact positively on pupils' achievement and attainment. Roles and responsibilities

In our school, we use the grant in a wide variety of ways according to the individual and shared needs of the child / children to whom it is awarded. We attempt to remove barriers to learning in order to improve progress and attainment and to ensure that our school values of equity and equality are upheld. Some examples of how the school may use the grant include, but are not limited to:

- The provision of a pastoral leader to liaise with home, provide or organise mentoring within school, liaise with external agencies for specialist support etc, ensuring the 'whole child' is fit to learn – emotionally, physically and academically.
- ETA time to provide one-to-one and group intervention in order to ensure catch-up or to cover a class whilst the teacher.
- Running intervention sessions before school begins
- Providing school uniform, after school club opportunities, breakfast club fees or pay for an educational visit so that the child is not excluded because of economic factors.
- Funding English classes for children who speak another language

We will publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line the DfE's requirements on what maintained schools must publish online.

Our pupil premium strategy is available here: <http://www.linthwaite-ardron.org.uk/information/pupil-premium>

We will publish information on the school's use of the pupil premium on the school website in line with the requirements set out in our funding agreement and the DfE's guidance on what academies should publish online.

Information on how the school uses the pupil premium is available here: <http://www.linthwaite-ardron.org.uk/information/pupil-premium>

6. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Reception to Year 6. Eligible pupils fall into the categories explained below.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

6.2 Looked after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

6.3 Post-looked after children
