### WE'RE WORKING HARD!

Congratulations to the children who have already started collecting stickers in their achievement cards! Some children have been to see me this week to show their best work. It is my favourite part of the day! This term we are aiming for excellent presentation.

We have recently clarified how we use our behaviour boards, which help children to visualise and manage their conduct and learning behaviours. A separate letter clearly outlining this for you will come home next week.

We look forward to hearing how parents are supporting children at home with this. School and parent partnership plays an important part in helping children make the best possible progress. We look forward to you joining us in commending your children when they achieve green, silver or gold and supporting them and us when behaviour goals are not met.

**Our behaviour goals are: Honesty; Kindness; Perseverance; Respect and Self-Control.**

#### Parking Consideration

Please be very mindful of our local community and the safety of our children when parking in the mornings. Be aware of dropped curbs, road markings and blocking driveways. In everything we do, even parking and walking to school, we want Colleshill to represent **Kindness** and **Respect** for our neighbours to see.

### DATA COLLECTION FORMS

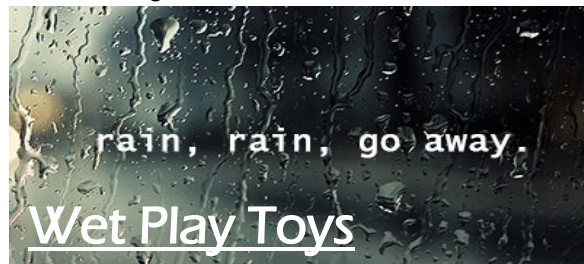

In addition to the photo consent form you received yesterday, we will soon be sending out a new data collection form to all parents. This sheet enables us to comply with new GDPR regulations and it is essential that you

return it even if you think we have your details already.

We will be using the email addresses you provide for us to develop a mailing list which will help us among other things to deliver the

newsletter electronically.

We will also be asking for a second emergency contact number in line with the government's new guidance in Keeping children Safe In Education 2018.

Whenever possible we always prefer children get some fresh air and exercise at breaktimes. However on some days children do have to stay in to keep them comfortable and dry.

If you have any old (small) games, comics or toys which you think children would enjoy using on these wet playtimes, teachers would be happy to receive donations and add them to the resources they have for such times. Many thanks.
