October

English

Narrative - Poetry

- Ch participate in discussions about books that are read to them, building on their own and others' ideas and challenging views.
- Ch draw inferences such as inferring characters' feelings, thoughts and motives from their actions, and justifying inferences with evidence.
- Writing composition - plan, draft, edit, improve and evaluate writing.
- Learn a wider range of poetry by heart

Science

Children will learn to:

- Describe the movement of the Earth and other planets relative to the sun in the Solar System.
- Describe the movement of the moon relative to the Earth.
- Use the idea of the Earth's rotation to explain day and night and the apparent movement of the Sun across the sky.
