Northern House School (Oxford)

Our school motto is 'Believe, Achieve, succeed' and nowhere more can this be seen than at our flagship 'outstanding' school in Oxford.

It has a long history of being an educational establishment for pupils with special and additional needs dating back to 1840. Northern House School officially opened in 1938 to provide classes for 'disturbed or maladjusted children who were not of subnormal intelligence'.

Since 1938 the school has continued to grow in terms of size and rationale, but has continued to build relationships with external agencies, based on the legacy started in 1940, when the Educational Guidance Clinic from Bury Knowle was co-located. This was followed in 1958 when the staff of The Park Hospital School moved to the site, until their departure in 1971. In 1972 there were 43 pupils on roll. This increased to 53 in 1963 and to 86 now.

The school has seen much change recently. In 2004 it added to its listed main house and stable block, built around 1824. In 2004 a new hall and two classrooms were built to increase capacity. In 2011 the current Prime Minister opened a two storey block, providing accommodation of five classrooms, a library, a SEN base, a music room and a purpose built food technology room. This development has provided pupils with a spacious, bespoke learning environment as well as enabling us to further enhance our respected Integration and Outreach provision.

Northern House School (Oxford) is renowned for its expertise in the management and support of pupils with Emotional and Social Difficulties, as demonstrated by our successive 'Outstanding' Ofsted ratings.

This acclaim led to its successful application to become an Academy in 2012. The Department for Education quickly encouraged us to open a second school in Solihull, and a third in Wolverhampton.

Many of our pupils also have additional needs, often due to the co-morbidity of related medical conditions. Additional needs presented include Autistic Spectrum Disorder (ASD) including Asperger's Syndrome, Moderate Learning Difficulties (MLD), Specific Learning Difficulties (SpLD) including dyslexia and dyspraxia and Speech, Language and Communication Needs (SLCN). Some pupils have medical conditions such as Attention

Deficit Hyperactivity Disorder (ADHD) requiring medication, visual and hearing impairments and physical conditions requiring assistance with personal care.

All pupils at Northern House School have a Statement of Special Educational Needs or an Education, Health and Care Plan (EHC) and are admitted following close consultation with the referring local authorities.

Pupils are taught in groups of around eight by an allocated class teacher and assistant.

Before attending our school, many pupils have experienced 'failure' in a conventional mainstream setting, often resulting in attainment below the national expectations and significant self-esteem and confidence issues. At Northern House School (City of Wolverhampton) we aim to nurture pupils by building trusting relationships, enabling pupils to feel valued and to develop self-worth, raising self-esteem and supporting them to engage with learning, leading to achievement and experiencing success.

Our main focus rests on supporting all pupils, regardless of their starting points to reach their academic, emotional and social potential – we want pupils to be the best they can be, enabling them to move on and become a functioning member of society. This is achieved by challenging pupils and staff to take the next step in their personal development.

It is also common for our pupils to arrive with limited and underdeveloped skills due to missed opportunities and challenging behaviour acting as a barrier to learning. At Northern House School (Oxford), pupils are valued as individuals and time is taken to identify learning styles and to understand the needs of the child. This approach allows us to identify activities and learning opportunities to close the gap and to move children along their educational journey.

Our school is a successful and happy one, where pupils feel valued and learn to take responsibility for themselves and others. We are blessed with children of many different age groups.

This lead sponsor school truly advocates our motto "Believe, Achieve, Succeed"
