Headteacher: Mr David Moore

Newsletter No.57: 14th September 2018

Dear Parents and Friends,

First of all a big welcome to all our new children and families and welcome back to everyone who is returning from last year. It's great to see the school full of happy children with their smart new uniforms on which have already received lots of positive comments from visitors. The holidays did rather seem to fly past and after a week and a half it's hard to remember them! The children however have settled amazingly well into their new year groups and classes and already lots has happened.

Class 2 trip to Vindolanda

This term's theme for Class 2 is the Romans and to get this started we visited Vindolanda and the Roman Army Museum near Hexham. We also managed to have a brisk walk to Hadrian's Wall and look in wonder at what the Romans managed to build all those years ago. This was a great way to get our work started and everyone thoroughly enjoyed the visit. A big thank you to Mrs Chamberlain who had organised everything during the summer break.

Blackberry Pies

There was a gorgeous smell wafting through school yesterday, one which always happens this time of year. This could only mean Class 1 had been out blackberrying (or should I say picking Blackites?) and Mr G was cooking pies. I think everyone had a lovely time eating them and what a great way to kick off their autumn terms work.

Breakfast Club

One small change of routine: we are introducing this year is how we get into school for Breakfast Club. To make sure we don't have children wandering round school when

they arrive, especially our new starters. The front door will be locked until 8.30 and anyone arriving for Breakfast Club is asked to use the door at the bottom of the playground as this is where Breakfast Club is based. After 8.30 the front door will be open for easy access to the cloakroom and classroom. This is all to make sure we are keeping children safe at all times, thanks for your cooperation in helping us.

Dr Doolittle

I'm sure those of you who were here last year will remember our end of year play. Should anyone want a copy of a DVD of the performance please ask Gwen in the office and we will get one sorted for you. There is a small charge of £5 per copy.

New school app

Information has gone out to you all about our new school app. This will be a hub for all our various ways of communicating with you such as our website, Facebook and Twitter. If you have not got this information yet please have a search through your child's book bag or drop into the office. It works on both Android and IOS devices.

As ever we have lots of events planned for the forthcoming weeks. There is a Year 5 and 6 football tournament, a cross country festival, multiskills, a robotics day and although it is some way in the future yet I have just booked accommodation for Class 2's residential to Liverpool in June next year! Please remember to keep checking book bags and the website for information on all these events.

Here's hoping for another great year at Ennerdale Primary.

Best wishes

D Moore
