St Edmund's is a Catholic Voluntary Aided School open to boys and girls aged 11 to 16 of all abilities. The School was established by the Roman Catholic people of Portsmouth to provide a Christian education for their children within the discipline and tradition of the Catholic Church. The fundamental aim of the School today is to present a clear Christian philosophy and way of life, providing opportunities in which Christian values may develop. We ask all parents applying for a place at St Edmund's Catholic School to respect our Catholic ethos and its importance to the School community. This does not affect the right of parents who are not of the faith of this School to apply for and be considered for a place here.
