

Kingfisher Class
Homework Expectations
Autumn Term, First Half

Each week there will be spellings and number facts/times tables to learn. They will be set every Friday, with testing on the following Thursday. Pupils are welcome to practise their spellings and number facts/times tables in this book. Please encourage your child to complete the work as short, daily practise.

This term, to promote independence and life skills, we will be setting your child a series of tasks to complete by half term. The idea is that your child will work as independently as possible. These tasks can be completed in any order and at any time that is convenient.

We would like photographic evidence (this can be emailed to admin@stedwardsprimaryschool.co.uk) and a short description to explain what it is that they have done. Please use the homework book to record this. We will be sharing the homework books and their work during the week before half term.

Challenges:

- * Make a model - DT, Art and Maths skills.
- * Play a board game - Maths, PSHE, communication.
- * Write a letter/message - Writing, grammar, punctuation and spelling, handwriting.
- * Help with the shopping - Maths, PSHE, Geography (where food comes from), Reading.
- * Prepare a snack or a meal for someone else - DT, PSHE, Maths, Reading.
- * Memorise a poem - English, Drama.

Thank you for your continued support.

Kind regards,
Miss Lumley
