### WHO WILL BE OUR HOUSE CAPTAINS FOR 2018-19?

Next week we will find out who will be our House Captains for the new year. Y6 children have been given the task of writing a short speech to convince their fellow house members in Y6 why they should be captains.

The speeches will focus on how they show honesty, respect, self-control, kindness and perseverance in their school life and why they would be a great role model for the whole school to look up to. The New House Captains for 2018-19 will be announced in Friday's assembly next week.

#### Slight change to mornings

As we are still awaiting the completion of our new classroom and sheltered area, we will slightly change our morning routines in preparation for the poorer weather. Door opening times remain at 8:45am with entry through classroom doors ending at 8:55am.

We encourage you, particularly on poor weather days to arrive close to that time. This is due to the very limited shelter we have around the school. However, when it is a wet day, parents of Reception and Year 1 children may make their way round to use the small shelter outside Miss Jones' room and on the Infant playground.

### DATA COLLECTION FORMS

As mentioned last week, we will soon be sending out a new data collection form to all parents. This sheet enables us to comply with new GDPR regulations and it is essential that you return it even if you think we have your

details already.

We will be using the email addresses you provide for us to develop a mailing list which will help us among other things to deliver the newsletter electronically.

We will also be asking

for a second emergency contact number in line with the government's new guidance in Keeping children Safe In Education 2018.

*(In most cases we already have at least two so in those cases will need no further details)*

## Our Zone Board

Understanding how our zone board works is really helpful for you as parents so we have created a Parent Guide for you.

When the behaviour team spoke to pupils and staff and parents in the Summer Term, one thing that came out clearly was a desire to keep standards really high and consistent across the whole school.

Our motto during our training days at the beginning of term was 'last year's gold is this year's silver!' We want that sense of raising standards to be in all every area of the school, We're proud to be at Colehill and we're aiming high.

We are currently completing our updated behaviour policy which will be available soon on our website and replace the existing policy.

### Gold

**Exceptional** learning behaviours for the individual – *EVERY* child has the opportunity to get on gold

Key Rewards - gold sticker, first choice of 'Me Time', a gold lanyard which gives you special privileges (see behaviour policy for full list).

### Silver

Going **above and beyond** in their learning behaviours.

Reward – silver sticker, second in line for choice of 'Me Time'.

### Green

Meeting behaviour goals in their conduct and learning behaviour; working hard and doing what is expected of them.

Reward – 'Me Time' a choice of a variety of fun activities at the end of the week.

### Amber

A warning that their conduct or learning behaviour is not meeting our behaviour goals and a reminder to 'get back on green'

Consequence – 5 minutes of 'Me Time' lost

### Red

Continued poor learning behaviours or conduct, or non-tolerable actions (see behaviour policy). A warning that their conduct or learning behaviour is not meeting our agreed behaviour goals

Consequence – 10 minutes of 'Me Time' lost.

If your child goes onto the red zone you will always be contacted by a member of staff. First red – Classteacher; second red of week – Phase Leader; third red in a week – Deputy or Headteacher.

At Colehill we love dogs, ball games, scooters and bikes. It is always good to see our children being active on the way to school; walking, cycling and using their scooters.

However please remember that pets, ball games and scooters are not permitted on the school playgrounds before or after school.

Please place scooters/bikes in the shelter provided before entering the playground. Thank you for your consideration and help in this matter.

### Y4 SWIMMING

Class 4C will be swimming next Tuesday 25th September.

### 100% ATTENDANCE

We will not be having a non-uniform day for 100% attendance. However, the attendance team will be reviewing the reward for 100% class attendance.
