

# Autumn Term - Key Stage 2

## Year 6

Dear Parents/Carers

Welcome to Year 6, the last year of Primary school! This is the first of our termly newsletters keeping you informed of the themes and highlights of the term. We look forward to working with you and hope that you find the newsletter informative and helpful.

Team 6

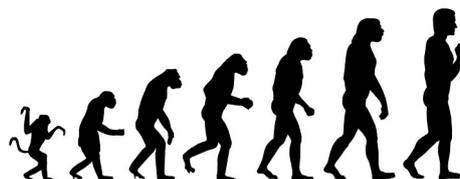

### World War II

As I am sure you are now aware, our first theme for this year is World War Two. Through this topic will be investigating some of the significant events that took place during the time period and how these events have affected Britain and the wider world.

Remember to organise your costume for our World War II Day Friday 9th November after half term.

### Science

Our Science topics for this term are Evolution and Living Things and Their Habitats.

### VISITS

This term we will be visiting the Imperial War Museum to add another dimension to our teaching about this theme. As part of the visit we will be asking the children to make notes in response to their questions about the war. Please keep an eye out for the trip letter.

### Oak Lodge Museum

To celebrate the work the children will have put into their World War II theme, we will be inviting you to visit our class museums on **Wednesday 19th December**. In costume children will be guiding

### Dates for your diary

26th-28th September	Individual Photos

19th October	6M Class assembly (3.05pm)
2nd November	6A class assembly (3.05pm)
9th November	Year 6 World War II Day
21st December	End of term

### Homework

This year we are encouraging our children to use a Homework Diary to keep a track of their tasks and respective due dates, as well as any other important notes. We ask that parents oversee homework and sign homework diaries in the labelled box to confirm they have seen the work produced. Children are also expected to read for **at least 30 minutes each day**. The Homework Diary needs to be handed in every **Monday**. Maths may be given as My Maths electronically or on worksheets. Whereas English homework may involve a reading comprehension, writing or grammar task. Additionally, there may be themed based homework on history or science.
