"Where A Love of Learning Grows"

20th September 2018

Dear Parents

Following the interest from previous Year 2 parents for test paper examples. I am able to offer parents the three Year 2 Achieve Practice Books in Reading, Mathematics and in Grammar, Punctuation and Spelling for £8.00. These books are normally £5.00 each. Ms Groome will link her homework over the next term to these books and highlight areas already taught in school that are useful to practice at home. Examples in the book exemplify questions similar to the test format, which will help the children become familiar with the end of Year 2 statutory tests.

There are many publications available similar to these but having perused several we felt these fit very well with the new expectations.

I enclose a letter inviting you to a short meeting on Tuesday 9th October at 5.00 pm for further information on Year 2 statutory assessments.

Yours sincerely
