DEADLINES AND REMINDERS

Update all Medicines and Health Care Plans	Immediately
Year 4 and Year 6 Residential Instalment	By 28th September 2018

PTA AGM

All parents and carers are invited to the Annual General Meeting on Friday 28th September at 9:00am in the Learning Lab. We currently have one of the most successful PTAs in the country and would like this amazing success to continue.

Choir Club

The new Choir Club for the Autumn Term will be commencing on Thursdays starting next week, 27th September 2018 from 3.20 - 4.20pm. This will be for KS2 children only and will be held in the Learning Lab with Mr Kirkham. Please contact the school office to sign your child up for the club, ensuring you give details of home time arrangements also. This club will run through to the 13th December 2018 excluding the 6th December.

Clubs Drop Off and Collection Arrangements

Thank you very much for your patience while we deal with teething problems using the new electronic gates. To ensure safeguarding for all, as from Monday, please can we ask that all parents and carers use the electronic car park entrance to drop off and collect to and from clubs. The gates will be programmed to open and close automatically during club drop off and collection and the pedestrian gate can be released with a gentle push. Please can we ask that you do not use the intercom buzzer as the office will be closed.

Lego Cards

Mrs Mason will be running a Swap Shop on Tuesday lunchtime for any pupils that would like to go along. Please can we remind parents that Lego Cards are permitted in school, however if they are used in class or are causing any issues, these will be confiscated and may be collected at the end of the school day.

Animals and Mobile Phones on the School Premises

Please can we remind all parents, carers and family members that mobile phones must not be used on the school premises at any time.

Animals, especially dogs, are also not permitted on the school premises, including the staff car park, or are to be left tied up on any of the electronic gates.
