### Flu Vaccination Forms

Please note these are due back into the school office by Wednesday 26th September.

Any forms not returned will result in the children not receiving the vaccination at school.

## Headteacher's Award

### Green

Oliver O'Kane for being really brave on his first week in a new school and making lots of new friends.

### Yellow

Eva Brighton for having such a positive attitude, always being helpful and doing everything with a smile.

### Indigo

Lily Scott for returning to school with such a positive attitude, ready for Year 2.

### Blue

Cody Confue for amazing place value work in maths.

### Unmissable Parent Information Sessions

I look forward to seeing you on Tuesday 25th September and introducing you to Mr Simon Aston, from the local authority, who is a specialist in children's online safety. There will be two sessions (same content) 2pm at Long Buckby Infant School and 6.00pm at Long Buckby Junior School. You are welcome to attend either session.

### Missing purse

Sadly one of our adults has lost her red purse. It was last seen on Monday morning in the front playground on the top of her buggy. Please can you look out for it:

### **Red purse**

**Patchwork design in red, cream and yellow  
£30 cash in it plus loyalty cards and a  
Natwest bank Card.**

Your help and diligence is very much appreciated.

**Does the company you work for offer match funding?**

**We are looking to see if any of our parents work for a company that offers match funding to support the fundraising efforts of the 'Friends'. We have previously obtained match funding from employees of DHL and WHS.**

**If you think your company might offer it please let me or 'Friends' committee members know.**

**.We look Forward to seeing you on Friday morning.**

## School App

We are really excited to be able to let you know about our mobile telephone app that is available for you to download. The app will allow you to view all events through the calendar, receive newsletters and instant messages. Below is a guide explaining how you install the app onto your mobile:

- In the app store on your mobile telephone type in 'School Jotter'
- An app designed by Webanywhere should appear.
- Download and install the app to your mobile telephone
- Click 'open'
- You will be presented with a list of schools. Type in Long Buckby into the search bar to find our school, then click onto the name of the school once it appears.
- Push Notifications will come up on your screen - click 'notify me' and then click 'allow'
- A successful installation will show the school jotter logo on your phone
- In the top left of the screen are three horizontal lines - click on these
- If you click the setting tab it will ask you if you would like the app to access your calendar. If you press 'allow' this will sync the schools calendar with your mobile phone calendar so any dates added by the school will appear in your mobile calendar.
- In the settings tab there are three sub headings: News, Newsletters and Notices. If you click on 'news' you will see a white circle and this can be moved right and left. If the circle has green visible behind it, the news app is active. If no green is visible behind the white circle you have turned off the news notification. It is the same process for the 'newsletters' sub heading.
- In the 'notices' sub heading when you open it a list of categories appears. As a parent you can choose which of these categories you would like to keep open. As an example if your child is in the Year 2 Blue class - you would keep the white circle to the right so the green is visible behind it for 'Blue Class', 'KS1', 'Year 2' and 'Whole School'. This will allow you to receive notification relevant to your child. For all the other categories that are listed you will need to slide the white circle to the left. This means that those notifications will not come through on your phone as they do not relate to your child's class, however you are more than welcome to keep as many categories open as you would like.
- You will receive notification when a newsletter is added (Friday each week). This newsletter will open in the mobile app.
- You will receive notifications such as when letters have been added to the school website, changes to the school day and instant notices.
- If you have any difficulties in accessing/downloading the new school mobile app, please call into the school office and we will assist you. If you are unable to use the school mobile app please inform the office so we can ensure all information is continued to be shared with you by an alternative method.
