18th September 2018

Dear Parent,

This year European Languages Day will be celebrated on Wednesday 26th September and we would like children at Hill View Infant School to join in the celebrations!

Rather than wear school uniform that day children are invited to dress in colours representing a European country of their choice. You are no doubt aware that French is taught here in school and if your child has any photographs or language books from Europe please encourage him or her to bring them into school on that day.

There will be a variety of activities on that day including food tasting for reception children. Please read the following list of food which will be available to try if your child would like to. If you do not wish your child to join in with the food tasting activity, or you know of any allergy, please inform the school as soon as possible.

We are very excited to have pupils from Southmoor Academy coming to teach Year 1 some German next week.

Thank your continued support.
Yours sincerely,

Miss K. Ridley
Teacher

Food available for children to try includes: Pain au Chocolate, croissants, baguettes and Jam

Please complete and return to school if your child has any allergies:

Childs Name: _____ Class: _____
