

Love to Learn and Learn to Love

21 September 2018

Welcome to our new Woodpeckers!

The children are doing brilliantly and already settling into the routines of school so beautifully. We have been impressed by their confidence and independence.

What should the next three years at All Saints look like?

**Come and have your say at our
School Development Plan Meeting
Tuesday 25 September at 2:00pm**

As part of our continued school improvement, we invite you to attend our School Development Plan meeting on Tuesday 25 September at 2:00pm. This is an important opportunity to work in partnership with the staff and governors of the school in order to shape the school's focus over the next three years. The School Council and the children will be talking in their classes about what they would like to improve.

We really value your thoughts and opinions, as part of 'the All Saints Family', and look forward to welcoming as many of you as possible to our meeting.

**Would you like a swimming pool...?
The children would, but perhaps you have other ideas?!**

Reading and Assessment Evening - Wednesday 10th October

7:00-8:30pm

This will be your opportunity to hear an update on the national assessments and how we assess your child **in each year group** at All Saints. We will also look at the importance of reading and share some of the comprehension assessments with you.

The evening will include an introduction in the hall, before time in each classroom with your child's class teacher.

Parents have said this is the most helpful meeting of the year, as it provides a great understanding of how the year will progress and how you can best help your child at home.

End of school day request

Please can we ask parents to come and collect their child from the class teacher at the end of the school day. This enables teachers to be certain that children are going home with the correct adult and enables any highlights of the day to be shared. Thank you.

A message from the Governors....

We are excited to announce three new Governors following careful skills analysis and interview. As a result of the Parent Governor advertisement Susie McIntyre has been appointed. Through the Governor portal, Kelly Blackaby and Hannah Mellor have been appointed as Foundation Governors.

Susie with her Public Relations background will take on the role of Parent Governor communications so look out for her newsletters which will be coming soon. She is also joining the Children and Standards Team.

Kelly Blackaby with her human resources skills will be joining the Resources Team.

Hannah Mellor is a qualified teacher and will be joining the Children and Standards Team.

We would also like to thank Claire Levens and Nick Strugnell who have offered to be Associate Governors and work with Susie McIntyre to develop All Saints Public Relations.

If you have any questions please contact Lucy Thompson, Chair of Governors:

chairofgovernors@allsaints-tilford.surrey.sch.uk

A message from FOAS....

🎄 We know it's early but.....FOAS will be working with Rudolph Cards this year to supply gorgeous cards and gifts with your child's artwork on. These make lovely keepsakes. The EVEN better news is our wonderful teaching team will be supporting this activity IN CLASS. All we ask is that you look out for an email from your class teacher asking for parent helpers to assist in the festive artwork. 🎄👶
Order forms will then be distributed late October/early November to ensure that you receive your order in plenty of time.

Contact the school

For day to day enquiries and information please email the school office on:

info@allsaints-tilford.surrey.sch.uk. Or phone on 01252 792491

Teachers can also be emailed directly for important daily messages and booking appointments. These emails are always read each morning and are a very effective way of contacting staff. However, please be aware that teachers will not be able to respond during lesson time and will get back to you as soon as they can. We discourage staff from responding to emails in the evenings and at weekends.
