

WELCOME BACK!

The children have come back to school happily and it has been a delight to see them keen to get back into the classroom and to catch up with their friends.

Today we held our first celebration assembly in our fabulous new outside classroom. All the children were very keen to ensure the space was perfect for the occasion and helped the assembly monitors set up with music, candles and floor mats. Our Chair of Governors Lucy Thompson attended and commented, "It was lovely to see the children excited and so respectful of their new outdoor classroom."

How are we going to use the outdoor classroom?

The outdoor classroom will be timetabled for use by all classes e.g. Year 1 science, Year 2 writing and Early Years messy play. It will also be used for some playtimes throughout the winter so the playground isn't too crowded. Parents are welcome to have a look at the space at the end of the school day.

The area will also contain a Reflection Garden in memory of Reverend Canon Heather Humphrey.

If anyone is keen on gardening and would like to volunteer to work with a group of children planting heathers and sensory plants this month, please can they contact the school office.

Official opening of the outdoor classroom

We are planning a celebration on the morning of 23 November (time to be confirmed) to officially open the outdoor classroom. Parents are invited to join us and we are looking forward to a local dignitary opening the event (more details to follow).

School Development Plan Meeting

As part of our continued school improvement, we invite you to attend our School Development Plan meeting on Tuesday 25 September at 2:00pm. This is an important opportunity to work in partnership with the staff and governors of the school in order to shape the school's focus over the coming years.

We really value your thoughts and opinions, as part of 'the All Saints Family', and look forward to welcoming as many of you as possible to our meeting. If you are unable to attend, we would really appreciate if you could contribute to the development of the school by taking a few minutes to complete the questionnaire which will be coming home in bookbags on Monday.

Forthcoming events

Contact the school

For day to day enquiries and information please email the school office on:
info@allsaints-tilford.surrey.sch.uk. Or phone on 01252 792491

Teachers can also be emailed directly for important daily messages and booking appointments. These emails are always read each morning and are a very effective way of contacting staff. However, please be aware that teachers will not be able to respond during lesson time and will get back to you as soon as they can. We discourage staff from responding to emails in the evenings and at weekends.
