

The Harry Gosling Herald

Last week we held our elections for our new school

councillors. School councillors play a very important part in the life of the school. They are the voice for every child. Councillors work with our Assistant Head, Elizabeth and help to find ways to improve the school and to help us think about ways to help others. It promises to be a very busy year ahead for all these children! This

week, I would like to introduce you also to our new House Captains. There are lots of ways to demonstrate our values at Harry Gosling. The job of a house captain is to be a role model of our school values: responsibility, excellence, equality and teamwork. Year 6 took part in a democratic vote to choose our new house captains. The successful children were :

Kilimanjaro: Summayah and Umar

Snowdon: Hamim and Noora

Everest: Tahhiya and Aman

Ben Nevis: Zaki and Sakeena

If you don't know who these children are, soon you will be able to spot them as they will be proudly wearing these special badges. They will help to collect our weekly house points, run events such as Sports Day and encourage and support their house to always achieve highly.

I'm sure they'll do a fantastic job representing their houses this year!

Best wishes Jennie

'The book I recommend is...'

Noora in Turquoise recommends 'The Creakers' by Tom Fletcher. It is about a girl called Lucy whose parents disappear in the middle of the night. First her mum and then her dad. Lucy finds out that her parents have been snatched by super-fast creatures called 'creakers'. I liked it because it's really mysterious and exciting. My favourite part was when Lucy tried to catch the creakers because she had to trick them to find out what they wanted to do with her parents. I think that people who like chapter books would enjoy this book, especially children aged 8-13.
