

**OUR CURRENT THEME:
Good To Be Me!**

Dear Parents/Carers,

Wow, what a start we have made to the new school year. The children are settling well and we are having such fun getting to know them.

Our Nursery day is a little different to the rest of the school. Doors open to morning children at 8:45am; they are collected from the office at 11:45. Afternoon children begin at 12:10 and are collected from the class door at 3:10. Can we kindly ask that children are collected promptly, as at this young age they do find it upsetting if parents are late.

Our topic is Good To Be Me and we are talking about who we are and why we are all special. We would love it if you would send in a photograph of their family to display in our home corner.

Mrs Kuly'n, Mrs Baines and Miss Rostron.

SUBJECT OVERVIEWS:

PSED: This term we will be concentrating on getting to know each other and making new relationships. We will also be learning about classroom expectations.

Communication and Language: We will be providing the children with opportunities to communicate effectively with their new friends. We will also be reinforcing good listening skills and encouraging children to listen carefully to one another.

PD: We will be providing many opportunities for the children to enhance their gross and fine motor skills as well as developing their independence.

Maths: We will begin working with the number system through songs and rhymes.

Literacy: We will look at print in the environment, spotting signs and labels that we recognise.

EAD: The children will be given opportunities to construct with a purpose in mind.

Understanding of the World: The children will be talking about lots of celebrations and their family.

THINGS TO REMEMBER:

- **COMING INTO NURSERY:** Can you please support your child's independence by guiding them towards their jobs and allowing them to do them independently.
- **CLEAN RUBBISH:** We would really love your donations of clean rubbish for our modelling area. We need small cardboard boxes, tubes, yogurt pots, plastic lids, plastic tubes, egg boxes etc.
- **WELLIES:** Please ensure that your child has wellies and a waterproof to leave in school. We love to play outside when it's raining!
- **CLASS DOJO:** You will now have received your Class Dojo invitation. Please download the app and get connected – you can see how many points your child has collected but you can also contact us quickly and see lots of lovely photos throughout the day!
- **FUND:** We ask for a weekly contribution of £1 to help us with any additional purchases such as ingredients for baking (we love to eat!) and new tastes for snack time.

Don't forget to follow the Nursery
