SCHOOL NEWS

We have lots of events coming up throughout the term. I hope that having this information so early on in the term will mean that you can attend meetings and services. The first service of the year is our Harvest Festival and all of the children will be doing something! We really appreciate your attendance and it is so good for your children to have an audience!

Miss Elvins will be running some workshop sessions for parents of reception pupils. She hopes that they will help you understand how your children will learn phonics and maths during their first year at school and give you ideas and strategies to support your child at home.
