To our youngest Reception children, playtime and lunchtime can be a little daunting. Our buddy scheme encourages friendship and trust between a Year 6 child and their Reception buddy for the whole of their first year. This ensures there is always an older friend for every Reception child and also gives our Year 6 children the chance to show a little responsibility in looking after a child just starting their PWP journey.

The school is given commission from all orders.

Nasal Flu Immunisations at Provost Williams Primary School 29th November 2018

The annual flu vaccination is now due for children in years Reception, 1, 2, 3, 4 and 5. The vaccination against flu is annual, which means that even if your child received the vaccine last year they will need to have it again this year.

This vaccination is recommended to help protect your child against flu, which can be an unpleasant illness, sometimes causing serious complications.

The vaccine is free and is a quick and simple spray up the nose.

A letter and consent form will be sent home with your child, please complete and return.

DON’T MISS IT!
The theme of our Collective Worship this week is **Peace**.

Jesus said “Blessed are the peacemakers, for they shall be called children of God”. Peace-making actions can range from helping to resolve conflict to creating space for stillness. Peace, in the sense of total well-being, is God's intention for the whole of creation.

This week, each class voted for Worship Committee members and School Council members. These children will attend regular meetings and put forward ideas and views from their class.

Well done to all our newly elected representatives on the Worship Committee, School Council and House Captains. We are sure you will bring new ideas and work hard for the classes you represent and the school as a whole.
Weekly Attendance
The whole school attendance target for Provost Williams Primary School is 96.1%
Please remember to call the office before morning registration if your child is absent.

Parking at School
Residents of Soden’s Avenue have approached the school about problems associated with inconsiderate parking. It appears that some of our parents are blocking the driveways of local residents when they drop off or collect children from school.

Please don't park across local residents driveways, on any drop kerbs or inside the “Keep Clear” section at the entrance to the school.

Thank you
