

Week 3

Friday 21st September 2018

This Week

We have explored maps of the United Kingdom and identified London as England's capital city. We also learnt about the physical and human features of our world. Year 1 sorted a variety of pictures (such as the beach, shops, office, river, bridge, road, mountain) and explained why they felt it was a human feature or a physical one.

In maths we have been focusing on representing number (in words, objects, maths equipment and digits) and counting backwards from 20. A naughty rubber has been in causing havoc with our number lines! He has been rubbing things out and we are having to fill them back in. He's not fussy, he doesn't mind if the number lines go forwards or backwards!

FYI

- School Development Evening 2nd October 7:00pm-8:00pm
- Harvest Assembly Friday 5th 9:05am

Autumn Poem Practice

Our Harvest performance is fast approaching and this is the poem we will be doing. We have seen it for the first time today and added some actions.

*The wind is playing autumn games
Through the gardens and the lanes.
Picking up, and swirling round
Leaves of orange, red and brown.*

*Gusting through each swaying tree,
Tossing apples till they're free.
Shaking conkers till they drop
And open wide with prickly pop.*

*The wind is dancing, full of fun,
Laughing in the autumn sun.
It tumbles acorns, fir-cones, leaves,
To make a carpet under trees.*

Mrs Dunk's message

It has been lovely seeing all the Autumn home learning things coming in. We have created an Autumn display including as many of the items as we can which you can see from the classroom door! Thank you as well to Piper and her family who brought in enough leaves for everyone. We have been doing lots of Autumn themed Art with them.

Please can I remind parents book bags need to be of A4 size. Thank you.
