

East Riding of Yorkshire Council

# Anlaby Primary School

*'Ambitious, Proud, Successful'*

### The Barrier

This will be operational from Monday. It will be closed from 8:15am until 4:15pm.

In order to keep all children safe, parents will not be allowed on to the site between 8:15am and 9:15am and between 3pm and 3:45pm without prior arrangement.

If you need to come on to the site at any other time you will be able to buzz the office so they can raise the barrier for you. Please check you have our buzzer not the Children's Centre!

### The Daily Mile

After talking to some of the children and teachers, it seems that the Daily Mile doesn't have the same impact when done in the afternoon.

Next week we are going to do it first thing in the morning but keep morning playtime and do our assemblies in the afternoon.

## NEWSLETTER 21<sup>st</sup> September 2018

### This Week

Inkpen and Rosen have started on their reading journey by learning the first 6 letter sounds – watch out for the homework this weekend. They have started dough disco with Miss Rudkin and Mrs Britton is waiting for your permission slips so you can see photographs of all the wonderful things the children do on the blog.

Sharratt and Donaldson have been finding the rhythm and pulse in music and learning how to throw and catch in PE.

Potter and Ahlberg have been designing Carl Warner food landscapes in art and creating revolting rhymes in English. In maths they are looking at place value.

Murphy and Dahl have been developing their scientific prediction skills to determine what happens to a shadow when you move the light source.

Morpurgo and Kinney have been making dental impressions and using mirrors to look at their own mouth to create a map of their teeth! They have also been learning their times tables using the BBC Super movers songs. Great fun was had by all and they were learning at the same time. Why not give it a try at home?

Herge and Walliams have been watching the space shuttle take off and writing exciting narratives of the event.

Shakespeare and Rowling have been engaged in some drama activities related to their story Friend or Foe as part of their World War II topic.

Have a great weekend.

### The Hive Out of School Club

This week our activities have been linked to the Year 2 topic Much, Mess and Mixtures.

We have carried out a magic milk experiment learning how washing up liquid breaks down fat molecules, created oil, water and colouring 'lava' lamps and made skittle rainbows experimenting with what would happen to sweets left over night in water.

We have discovered why coins tarnish and tested different formulas for getting them clean including salt and vinegar, ketchup, lemons and rubbers.

We have also made our own playdough, had connect 4 challenges, played lots of UNO and attempted to solve the Rubix's cube. Miss Stanley has set herself the challenge of solving it over the weekend – we shall see!

### Lunch Menu W/C: 24<sup>th</sup> September 2018

Sausages OR Quorn Sausages (V)	Roast Chicken OR Quorn Fillet (V)	Fishcake OR Vegetable Nuggets (V) Chips	Roast Pork OR Quorn Sausage (V) Yorkshire Pudding New Potatoes	Spaghetti Bolognese OR Vegetable Bolognese (V)

Fruit OR Yoghurt	Fruit OR Yoghurt	Fruit OR Yoghurt	Fruit OR Yoghurt	Fruit OR Yoghurt

### View from the Classroom Floor

There are lots of new things happening around school and we thought we would keep you up to date with some of them.

We are currently electing new members for the School Council, lots of sporting clubs, and Mr May has started swapping Lego cards. So if you shop at Sainsbury's please collect them and bring them to school.

When Mrs Woodcock and Mrs Brannon move in to their new classroom we will be able to start a library. In the meantime Mr May has started a reading for pleasure club on Tuesday lunchtimes.

If you want some time out of a busy and hectic lunchtime why not get yourself lost in a good book! Just come to Mrs Woodcock's room on a Tuesday lunchtime.

Is that a buzzing noise you can hear around school? Yes, it's because the Bee lady is coming!

Have a great weekend.

Katie, Annelise, Olivia and Ana.

### Date for your Diary

In order to try to give you as much notice as possible regarding events around school, this section will be dates for up-coming events. We may need to change events at times but will try to keep this to a minimum.

Friday 26th October 2018 – School closes for half term

Monday 5th November 2018 – School opens

Friday 21st December 2018 – School closes for Christmas holidays

Tuesday 8th January 2019 – School opens

Friday 15th February 2019 – School closes for half term

Monday 25th February 2019 – School opens

Friday 5th April 2019 – School closes for Easter holidays

Wednesday 24th April 2019 – School opens

Friday 24th May 2019 – School closes for half term

Monday 3rd June 2019 – School opens

Friday 19th July 2019 – School closes for the summer holidays

### Healthy Lunch Box Tips

If your child prefers a sandwich, boost the vegetable content by adding salad such as lettuce, sliced tomato, cucumber or sweetcorn.

Starchy foods are a good source of energy and should make up a third of the lunchbox. But don't let things get boring. Keep their foods varied and importantly, don't overfill their lunchbox. This can be daunting for a child who may think they will be in trouble if they do not eat everything.

Try seeds, crackers or pretzels as alternatives to crisps.

Children often like food that they can eat with their fingers, so chop up raw veggies such as carrots and peppers and give them something like hummus or cottage cheese to dip them in.

Vary the fruit and vegetables each day, carrots, celery, cucumber cubes, cherry tomatoes and sugar snap peas are just a few ideas.

Add a yoghurt or low fat rice pudding for a tasty and healthy dessert. Replace chocolate bars and cakes with fresh or dried fruit.

### Water Bottles

Just a reminder that children are not allowed to bring anything other than water in to school in their water bottles. If they are found to be having juice they will not be allowed to have their drink and will have to use the water fountains.

### Packed Lunches

Please remember to send your children with a healthy packed lunch – no chocolate bars etc. If a child appears to be consistently bringing in a clearly unhealthy selection of foods we will contact you to discuss the matter.

### Playtime fruit

If KS2 children want a snack at playtime please make sure it is a piece of fruit.

### Allergies

**Due to severe allergies we have in school please remember never to send nuts in packed lunches.**

I would like Mr May to know...
