

# West Acton PRIMARY SCHOOL

Friday 21<sup>st</sup> September 2018

Thank you to all parents/carers who attended our 'Welcome to the new year group' meetings this week. I hope that you found them useful and it has given you an understanding of how you can support your child this year.

## Miss Kondo

### Driving Danger

I will be sending out a letter next week but I am concerned to hear reports of irresponsible driving from a few parents/carers who are letting their children get out of the car on the crossing.

Classes have been putting democracy into practice and voting for school councilors this week.

The children are back in the full swing of learning this week.

### Calling all new parents and babies.

Would you and your baby like to help children learn how parents and babies develop a trusting relationship and develop your own confidence and abilities as a parent?

We have a programme in our school called **Babywatching** which helps children to understand each other's feelings, motivations and relationships.

Can you spare 20 minutes once a week for 2 terms?

We would like to hear from you.

**Please contact Rachel Niland if you are interested.**

**0208 9923144**

**Niland@west-acton.ealing.sch.uk**

My assembly this week was about 'Goals' which is the topic of our PSHE lessons this term. Whilst we did enjoy reliving those golden moments from the Summer's World Cup with some very memorable goals, we learnt that we can all set personal goals. Many children have told me of their goals to improve their handwriting or spelling - which of course I am really pleased about!

Setting goals also fits to our value of being 'ambitious' and we talked about how goals are individual to each of us. Please do ask your child what goals they are

**Online Safety** is a very important topic that we will be bringing you more information about after half term. However, something to think about, do you model good habits to your child – do they see you spending hours on your phone? A very useful website is [www.internetmatters.org](http://www.internetmatters.org)
