

COPLEY SCHOOL ASSOCIATION

TREASURER REPORT 2017/18

Firstly I would like to say a big thank you to everyone who has supported the CSA fundraising events during the past academic year, it is much appreciated and without your support we would not be able to continue in our aim to offer children opportunities that would not normally be available to them and trying to make the majority of those events interesting and fun!

How much did we raise last year and where did it go?

In the last academic year we raised £4271 through the following events:

Fundraising ideas and how the money is spent is decided by the CSA Committee, comprising parents and staff, who meet monthly and share ideas which are discussed and decided upon. We would welcome more views and if you are unable to come along to the meetings and would like to share your ideas please write to us via the school office or email me at the address below. Or indeed if any parents, friends or family members work for companies who support charities in the local community via match funding or other means we would be delighted to meet with you to discuss how Copley Junior School might benefit from this.

Thank you again for your continued support
