Nursery News 1

SEPTEMBER 2018

'Nursery News' provides information to parents and carers about what your children are currently learning in Nursery, giving you ideas and helpful tips about how you can support your child at home.

We are really happy with how the children are settling and thank you for working with us during their induction period.

Here is a reminder of the Nursery times:

Morning session

8.40am-11.40am

Afternoon session

12.20pm-3.20pm

The gate will remain open until 9am/12.30pm. If you arrive after these times you will need to sign your child in at the main office.

If your child is poorly, you must ring 5640222 and let us know.

What to bring to Nursery...

❖ A bag with spare clothes, including socks. Please ensure all clothing is labelled with your child's name.

❖ A water bottle – we do not allow juice or milk in bottles and bottles with teats are not permitted.

Your child has been given a school book bag – this must also come to Nursery every day.

You may choose a story from the baskets in the cloakroom to take home in the book bag and share with your child.

Thank you to all the families who returned the 'wishing star' home challenge to Nursery. They look fantastic displayed in the Nursery environment. If you have not yet done your star, or require another one please approach a member of staff who will help you.

Nursery Story Bags will be coming home from Tuesday. If you have not yet signed up to access this exciting project, please see a member of staff for more information.
