

Auditing the effectiveness of PE and Sport Funding 2017/18 at Skipsea

Total PE and Sport Funding for academic year 2016 to 2017: £8220

Brief overview of PE and sport provision in the school from the previous year:

The money was spent in the following ways in 2016 to 2017:

Employed qualified coaches from The Tigers Education Trust and also Fit 4 Fun who modelled good practice to teachers and provided them also with CPD as needed either in house or at a cluster event.

Employed qualified coaches from Fit 4 Fun who ran after school club one night a week.

Resources for PE

Shared transport with Hornsea Burton School to Sporting Events

School PE and sport development priorities based on our school context and identified pupil need:

Last year we offered the Tigers Trust sports club after school, for the whole year. Being a small school and having small cohort sizes, often we don't have enough pupils in a cohort to form a team for cluster events and competitions and this can be a barrier to the school being able to participate. In order to try to get more children to participate in competitive sport, we arranged with Tigers Trust to organise competitive activities across the two schools in our Federation during the school day so that all children would take part and they were also using and applying their skills which they had been learning in the weeks leading up to the event. This proved to be far more successful and we shall

continue to do this next year.

We also ran activities provided by our Y5/6 Play Leaders who were trained by Tigers Trust, at lunch time, which has meant that more children have benefitted and participated.

Skipsea Primary School is committed to the development of PE & Sport and uses this grant to further enhance its existing provision.

Our rationale for the use of the Sports Premium Funding is as follows:

- all children benefit regardless of sporting ability
- all children are given the opportunity to compete in cluster tournaments with other schools
- staff have access to training opportunities and continued professional development
- we make use of collaborative and partnership working

The Sports Premium Funding has been beneficial in assisting with the development of our provision for PE and school sport. We continue to work towards all staff improving their knowledge and skills to enhance their delivery of PE/games lessons and continue to adapt the curriculum/sports clubs to meet the needs of the children.

The school will make sure these improvements are sustainable.

Quality Assurance. What systems are in place to ensure value for money and the involvement of the school leadership team, including the Governing Body, in overseeing the effectiveness of the projects?

Governors and SLT discuss with Head at least twice a year how things are going re PE and Sports to review impact of current expenditure and then look at how to most effectively spend the next year's allocation.

Head teacher meets regularly with Tigers Trust coach to review provision and agree priorities and needs for the next term.

Head teacher (ex PE Coordinator) has done regular lesson observations at Hornsea Burton School which we are federated with to look at quality of teaching and also impact of expenditure linked to Tigers Trust to see if the school is getting best value.

USE OF FUNDING FOR 2017 TO 2018 £16,410 (£9573 Sept 2017 to March 2018, then £6837 from April to August 2018) and then carry forward of:
Expenditure £8427.64 so far

Use of funding	Provision	How it made a difference to the PE and sport participation and attainment of the pupils who attract the funding	Cost	% of total annual funding
Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE	<p>HULL TIGERS TRUST WEDNESDAYS(3 HOURS)</p> <p>Qualified coach to work alongside each teacher in one PE lesson per week to increase subject knowledge and confidence</p> <p>Forging new partnership with Wawne Forest School.</p>	<p>Coach employed and supporting across school.</p> <p>QA shows 100% good or better PE teaching and learning.</p> <p>Links formed with Wawne Forest School staff and physical development skills and cooperation skills improve for children.</p>	<p>£3320 total for Autumn 2017 and Spring 2018 terms and £1855 Summer term 2018 Tigers Trust</p> <p>£690 buses to Forest School at Wawne</p>	<p>31.5% Tigers Trust</p> <p>4.2% Forest School</p>
Supporting and engaging the least active children through new or additional Change4Life clubs	AFTER SCHOOL FIT 4 FUN CLUB WEDNESDAY NIGHTS FOR AN HOUR	More children attend after school club than previous year.	Included in annual fee re Tigers Trust	As above

Paying for professional development opportunities for teachers in PE and sport	STAFF TRAINING RE TIGER'S TRUST	End of year data for PE shows that more children in each cohort are working at age related expectations in PE than previously due to improved teaching of games and quality learning experiences for pupils.	Included in annual fee	As above
--	---------------------------------	--	------------------------	----------

Use of funding	Provision	Success Criteria (based on impact on pupil outcomes)	Cost	% of total annual funding
Running sport competitions, or increasing pupils' participation in the School Games	<p>FEDERATION COMPETITIONS (TIGERS TRUST)</p> <p>Competitive activities between Hornsea Burton and Skipsea Schools linked to their learning in lessons</p> <p>OTHER BOUGHT IN SPORTS ACTIVITIES DURING/AFTER SCHOOL AS NEEDED eg pre-pedal skills for FS2 children, Class 3 Dearne Valley Outdoor Adventure Activities</p>	More children participate in school games and competitions than previous year.	<p>Included in annual fee re Tigers Trust re coaching and leading events</p> <p>£260 transport to competitions at HB</p> <p>£595 pre-pedal skills</p> <p>£510 Dearne Valley activities for Class 3</p>	<p>As above</p> <p>3.6% pre-pedal skills</p> <p>3.1% Dearne Valley</p>

Buying quality assured professional development modules or materials for PE and sport	PE Resource Audit undertaken Additional Resources matched to new provision and also for EYFS physical development skills	Staff have access to quality resources to provide outstanding provision 100% good or better teaching observed in PE	£188.75 PE trolley EYFS Physical development £320 £466.39 PE resources for lessons	5.9%

Use of funding	Provision	Success Criteria (based on impact on pupil outcomes)	Cost	% of total annual funding
Pooling the additional funding with that of other local schools	Shared transport with Hornsea Burton School to Sporting Events	More children participate in school games and competitions than previous year.	£222.50 Dearne Valley bus cost	1.3%
Other	Developing Young Sports Leaders in Y5/6	Sports Leaders trained and enjoy leading playtime sports	Included in annual fee re Tigers Trust	As above

How the school will make sure these improvements are sustained:

We believe that if all of the teachers feel confident in teaching in all areas of PE and sport through good practice and have seen first-hand quality PE and sport, they will maintain this.

Through observations of teaching, monitoring of planning and assessment gathering, the PE Co-ordination, the head teacher and the Governors can ensure that these improvements and being maintained.

The PE Co-ordinator will also be monitoring and tracking the children who have participated in PE, sport, extra-curricular and competitions. This will show that the participation of PE and sport is improving.

The Head teacher meets regularly with the coaches from Tigers Trust. They work together at ways to improve provision and ensure all children make progress during a session.

Following discussions with staff and also Governors, the school has decided from September 2018 to continue to only buy in Tigers Trust to teach PE and Sport to each class for one session a week and the remaining sessions to be taught by the Class teachers so that staff are given opportunity to use and apply their improved knowledge and skills. Other Specialist Coaches will be brought in to teach children and coach staff as needed to widen opportunities delivered to children or teach areas the staff feel less confident in. The funding will also be used to take children to different venues and facilities to motivate them and engage them in either new activities or to encourage them to use their current learning in real contexts in order to sustain their interest and fitness.

One new activity the children from each class will be participating in for the next academic year is 'Forest School'. Each class had a taster session during the second half of Summer term 2018 and thoroughly enjoyed it and it was felt that this was something that the children would really benefit from continuing in the future. This will involve them going to Wawne Forest School each half term for a full day and developing their physical skills in adult led sessions. The children and staff will need to travel there by bus for the sessions. They will be taught by trained and experienced coaches at the Forest School and our staff will be trained during the year. The activities they will do will also link to their learning, when appropriate, in other areas of the curriculum from the long term plan. An area on the school grounds will then start to be developed over the course of the next couple of years to create a Forest School area on our site with support from the Wawne Forest School staff.
