Compassionate and Loving

Our values and virtues for this half term are compassionate and loving. We encourage our children to be kind and caring to all and to treat others as they wish to be treated themselves. Showing love and compassion is something we want all of the children in our care to be able to do. We want them to be compassionate towards others, near and far, especially the less fortunate; and loving by their actions and forgiving words.

The best way to share these values with our children is to make sure we are modelling them ourselves. If they see us being loving and compassionate they will copy. Please talk to your children about the importance of these values. Thank you for your support!

SCHOOL FAIR

I would just like to say a big thank you to everyone that supported the school fair last week. It was a lovely to see so many families supporting the school. We raised a total of £983.91 that will go into the school funds and the PTFA to help enhance our children's learning experiences. I would like to say a huge thank you to anyone that helped on the day, gave donations, prepared the stalls, brought their own stalls or just turned up and spent money. I would also like to thank RG Promotions for the Music and PA, Wolfie and Wendy, Ant from WMSD and all of the staff at St. Joseph's. We are all extremely grateful for your support.

Dress in something bright for CAFOD

On Friday 5th October we would like your children to dress as brightly as they can to raise money for CAFOD. We ask that all children bring in £1 which we will send to help those less fortunate than ourselves. If you would like to know more about where the money goes please look on the website below:
