24th September 2018

Dear Parents and Carers,

In order to help the children in years 3 and 4 improve their recall of multiplication facts, we are introducing a new system in school which will involve them taking a test twice each week. Your child will be aware of what times tables they should be learning and should practice these at home for a short amount of time

They will be given a worksheet to take home and can also access the following website where they can practice and take a timed test should they wish to.

www.timestables.co.uk

Thank you for your continued support.

Yours Sincerely

Mrs Julie Pettigrew
Year 4 Teacher
