

## St Anne's School and Sixth Form College

### Pupil Premium Statement

This policy was adopted in the Summer term 2013 and updated September 2018

#### 1. INTRODUCTION

The Government believes that the Pupil Premium Grant (PPG), which is additional to main school funding, is the best way to address the current underlying inequalities between children eligible for free school meals (FSM) and Children Looked After (CLA) children adopted from care and their peers.

The Pupil Premium Grant is paid to schools by Local Authorities. The funding is calculated using the January School Census and Looked After Children and children adopted from care data returns. The school allocates the funding where it is most likely to have an impact on our Six Life Long Learning Skills (communication, independence, taking part, choosing, working with others, and keep on trying) which are embedded throughout our school curriculum.

As part of the school's regular performance monitoring we will be evaluating the impact of PPG. Achievement data will be checked frequently to assess whether interventions and techniques are working and adjust them accordingly.

Please see the Pupil Premium Grant Statement for 2018-2019 below:

Number of pupils eligible for pupil premium grant 39 FSM (28 eligible for pupil premium) £25,200

Total amount of PPG received per child looked after - £1900, child adopted from care - £2,300 = £17,900

Total amount of pupil premium grant received = £ 43,100

Area of provision <b>SDP</b>	Cost	Focus	No of Pupils	Monitoring	Impact <b>March 2019</b>
Outcomes for children and other learners. <b>Autism</b>	Advanced Sensory Integration Practitioner 1x day per week for 30 weeks.
