Friday, 21st September

Dear Parents/Carers,

For the last few years, we have held a MacMillan coffee morning which has been very successful. As a result of this, we would like to again run a coffee morning on Friday 28th September in support of this very worthy charity. This charity is such an important one as we all know someone who has suffered from this disease and who has benefited from the fantastic work of the MacMillan nurses. They provide medical, emotional, practical and financial support, as well as campaigning for better cancer care. And because cancer affects more than just those facing it, they are there for friends and family too. This is why the school thinks it is important to support this charity.

We are asking that with your children you bake a cake, cupcakes or buns and donate these to school for the children and parents to buy at the coffee morning. We thought this would be a nice opportunity to have a cuppa, a cake and a chat with other parents. Bring your donations into the school hall on 28th September at the start of school and stay for a coffee and a chat. Please be aware, that we have some children with serious nut allergies so please be mindful of this when baking your goodies.

The coffee morning will start at 9:00. Children will be able to buy buns and cakes at their break times to help raise more money.

We are always appreciative of all of your support and know that this charity is close to many people's heart so know that we will raise as much if not more than last year.

We look forward to seeing you next week.

Anston Park Governing Board.
