Useful Information:

When I come to Nursery, I will practice these things. It is important I practice these things at home too. If I struggle with these, the adults in Nursery will help me.

- Wash and dry my hands.
- Put on and zip up my coat.
- Go to the toilet on my own.
- Dress myself.
- Drink from a cup without spilling.

When I am learning in school, I need to remember good speaking and listening rules. I will see these pictures to remind me to sit with my legs crossed, lips closed and listen to my teachers.

Ear's Listening	Lips Closed	Eyes Looking
Legs Crossed	Hands Still	Brain boxes on!

**Thank you and we look forward to seeing
you and your child at Hillside Primary
School.**
