18 September 2018

Dear Parents and Carers

### **INFORMATION: Parents Meetings, School App and ParentPay**

As you will be aware from this week's newsletter we have been looking at better ways to get information to you and to reduce the amount of printing we do.

### **Parent Teacher Meetings**

This year parent Teacher Meetings will be held on these dates:

Tuesday 16 October 2-4pm  
Wednesday 17 October 4-6pm  
Thursday 18 October 4-6pm

To book an appointment please follow the links below:

[www.schoolinterviews.co.uk](http://www.schoolinterviews.co.uk) and enter the event code **7yknt**

Then select the teachers name and the time(s) you require. You will receive confirmation of your appointment via email.

### **School App**

Over the coming months we will be moving to a virtually paper free system such that by October half term correspondence will come via The Coppice Valley School App instead of on paper. This will save the school a significant amount of money in photocopying etc and mean that letters don't get lost at the bottom of school bags! Notifications on your device can be enabled meaning that information will be immediate.

There will be a period of transition but please download the app now to help us facilitate this process. Download our mobile app from the Google or Apple app store. <https://apple.co/2oGDD64> or <https://bit.ly/2GRPx3U>

### **ParentPay**

Trips and consent, in addition to lunch money, will also be arranged via ParentPay. If you do not already have a ParentPay account please follow the instructions already circulated via a letter to any parents who do not already have an account. It is important that all of your children are registered on ParentPay as even if the trip is free of charge this will be the way that you give your consent.

Yours sincerely

Mr J Drake  
Head teacher
