Dear Parents

Harvest Festival - Monday 8th October

We will be holding our traditional thanksgiving service in school for children and staff. Each year we try to ensure that our Harvest Festival is a time for giving thanks and celebrating the gift of good food to eat. This year we will again be thinking about parts of the world where the harvest is poor and food scarce.

With this in mind, we ask that the children bring one food item each into school next week. For safety reasons, please do not send any items of food in glass jars. The tins and packets of food you send in will be made into parcels and distributed to senior citizens living locally and a local charity, Tapestry which supports local adults in the community.

If you know of any senior citizens living locally who would benefit from one of these parcels, please complete the slip below and return to the school office by Friday 5th October. If your nomination is chosen you will be contacted by telephone on Monday 9th October. All parcels will be ready for collection on Monday 9th October between 2.30 - 3.30pm.

I hope that all children will experience the true meaning behind our Harvest Festival.

Yours sincerely,

Mrs J Taylor
Head Teacher
