

# Holme St Cuthbert School

## Website Policy

The governing body is responsible for:

- Ensuring that the statutory requirements regarding school information are published on the school website – or arranging for the information to be displayed on a website, and the address/details made known to parents.
- Providing a paper copy of the information published on the website, without charge, to parents on request.
- Making sure that the information is updated as soon as is reasonable practicable following a change to that information and, in any event, at least annually.
