

25th September 2017

SCHOOL INDIVIDUAL PHOTOGRAPHS

Dear Parents and Carers,

On the morning of Tuesday, 9th October, the school photographer will be visiting school to take individual photographs as well as photographs of siblings attending Kiwi school. There is no obligation to buy the photographs.

Pupils must go to their classrooms at the normal time for registration and will then be taken into the hall for the pictures to be taken.

Nursery children, who normally come to the morning session will be registered and then taken to the school hall. Nursery children who come in the afternoons are invited to come at 9:00 am sharp to have their pictures taken.

Children with brothers and sisters in Kiwi school will be photographed together during the morning followed by those having individual photographs.

As you will appreciate this is a very busy day for us and your understanding and support will be valued.

Yours sincerely

On behalf of Kiwi Primary school

Mrs Cooper and Mrs Lush
