PACKED LUNCH VS SCHOOL DINNER

The School Food Trust have carried out a detailed study to find out which is better, packed lunches or school meals. Here are some of their findings:-

Over 90% of pupils taking a school lunch ate food and drink items containing vegetables, salad, pulses or fruit compared with only 58% bringing packed lunches.

Far fewer pupils taking school lunches ate confectionery, non-permitted drinks and snacks.

The nutrient content of an average packed lunch contained more carbohydrate, added sugar, fat, saturated fat, vitamin C, Sodium Calcium and less protein, fibre and zinc than an school meal.

School lunches are free until your child reaches Year 3, let them try our nutritious school meals - we are having two themed dinners in October.

Did you know that if your child is in Reception, Year 1 or Year 2 they are entitled to a universal free school meal. If your child usually brings a packed lunch, would they like to try a school dinner for a week? We also have a sandwich choice. Just choose it online or let them choose it in class.

VACANCY Lunchtime Assistant

We have a vacancy for a Lunchtime Assistant working in school during the dinner period for one hour per day, Monday to Friday. If you are interested or know anyone who would like to apply, please see Mrs Galley in the School Office.

SPELLING

Please ask your child about their new spelling contract.

We have suggested many fun ways for them to practise their spellings ready for the test on Fridays.
