

Dear Parents & Carers,

Our bridge is fixed! The children really missed using it while it was being mended. A polite reminder, children are not allowed to play on our new climbing frame before or after school.

We have ordered five new computers for the children! Thank you once again to the Friends of Langtons for fundraising, and to all the parents who have donated. We hope to purchase another five computers and donations from future fundraising will be used for this.

### **QUAD KIDS**

Congratulations to the Year 1 & 2 children who took part in Quad Kids – you were a credit to the school! We are awaiting the results and will announce them as soon as possible.

### **VEGGIE RUN**

Havering Catering Services has launched 'Veggie Run', a newly developed healthy app only for Havering children of primary school age. The app aims to create healthy competition amongst primary school children, where they learn to dodge unhealthy foods and get rewarded by collecting fruit and vegetables.

By downloading and playing this app, pupils can win prizes for themselves and their school. These prizes are worth up to £200.

Download Veggie RUN and enter school code **8075** in the 'Sign in' section to collect points for you and your school.

## PARKING

Please remember to park considerately when dropping off/picking up your children. Please do not park on the zigzag or double yellow lines and please do not park across or on neighbours' drives. Thank you to those of you who do consider our neighbours and the safety of the children and walk to school or use the local car parks.

## MEASLES, CHICKENPOX & SHINGLES

Just a quick reminder to let the school office know if any of the above are occurring in your household so we can notify the parent of a child with a very low immune system. Thank you!
